Today we are traveling to the Crossroads Village and Huckleberry Railroad in Flint, where history comes to life and you are a part of the experience. We begin our day with a 40 minute journey behind their authentic steam locomotive that takes you along the shores of Mott Lake, down a stretch of the historic Pere Marquette roadbed. After our train ride, you will have time to explore the Village and eat on your own at one of their dining options. We will finish our day with a boat ride on the beautiful Genesee Belle, a replica of the paddlewheel riverboats that were popular during Mark Twain's time. Travel provided by Deluxe Motor Coach.
