Today we are taking a trip to Hickory Corners, located just outside of Battle Creek, for a trip back in automotive history. The Gilmore Car Museum has exhibit after exhibit of incredible vehicles. If you take them all in, you'll see nearly 400 vehicles, and the range of brands and models are breathtaking, everything from Model A's to Cadillac's, Pierce-Arrows to Duesenbergs and more. There are also exhibits that capture the best of each automotive era, cars from nickel and brass eras to the classics and post war. While there, lunch will be on your own as you visit their authentic 1941 Diner. The menu includes soups, sandwiches, blue plate specials and Chicago and Coney style hot dogs. Travel by deluxe motor coach.
