This afternoon we're traveling to Kensington Metro Park in Milford. We will board the Island Queen III for a leisurely cruise on Kent Lake. We will be charmed by nature's sights and sounds as we tour the picturesque lake! After our tour, we will head over to the nature center. The Nature Center offers exhibits to help explore the wildlife of the park. Park Interpreters are on hand to answer questions as you visit live animals such as turtles, snakes, fish and Ranger the red-tailed hawk. Hand-feed small songbirds like chickadees and titmice. After we will be eating at The Kensington Grill in New Hudson. The meal is on your own. Travel provided by Deluxe Motor Coach.
