*This production of Love, Loss, and What I Wore will include the Emmy Award-winning Loretta Swit who starred in the TV series "M*A*S*H." Love, Loss & What I Wore is based on the best-seller by Ilene Beckerman. Like the popular book, the show uses clothing and accessories and the memories they trigger to tell funny and often poignant stories that all women can relate to. Proving that a great show is always in fashion, Love, Loss, & What I Wore with its starry rotating cast and compulsively entertaining subject matter, has become an international hit. This intimate collection of stories has entered its second smash year at New York's Westside Theatre and is now coming to Detroit.*
