

Today we travel to the Purple Rose Theatre in Chelsea to enjoy “Flint” For a century or more, generations of men and women in Flint earned good pay and benefits manufacturing automobiles and the things that go into making them. Almost overnight this changed and the people here found themselves unemployed and adrift. Flint is the heartfelt and brutally honest story of two couples struggling to endure and believe in the American dream. Prior to the show, we will be enjoying lunch at the Common Grille. You will have a choice from a limited menu. Lunch & show are included in the trip cost. Travel is by Deluxe Motor Coach.
