

Today we're traveling to the Purple Rose Theatre in Chelsea. For the world premiere of Willow Run by Jeff Duncan. During WWII the Willow Run Comber Plant was the largest factory under one roof in the world. Some forty thousand employees, mostly women turned out B-24 Bombers at the rate of one every 55 minutes. Willow Run follows the journey of four of those women who migrated from all over America to find new lives at the plant. We will have lunch prior to our show at Haabs Restaurant in Ypsilanti. Lunch is included in your trip cost. Travel is by Deluxe Motor Coach.
