Today we take a trip to Cleveland, Ohio. Upon arrival, we board the magnificent Goodtime III, the largest quadruple deck luxury ship on the Great Lakes! We will enjoy lunch while taking in the fast changing panorama of Cleveland's skyline on this narrated boat tour. All the sights of little known historical facts are pointed out about this All American City. After our cruise we make our way over to the Rock & Roll Hall of Fame to enjoy five levels of Rock & Roll nostalgia! Travel is by Deluxe Motor Coach.
