Today we are traveling to Bay City for an adventure like no other, we are touring a retired US Naval warship the USS Edson. The Saginaw Valley Naval Ship Museum is dedicated to documenting the history of the United States Navy. This floating museum is permanently housed in the USS Edson on the Saginaw River. Because the museum is on the ship, handicap accessibility is limited. Small walkers are permitted but no wheelchairs are allowed. After our tour, we will enjoy a buffet lunch at Krysiak's in Bay City. Travel provided by Deluxe Motor Coach.

* A snack bag will be provided on the bus in the morning due to the duration of time before lunch. Tour, lunch and snack bag are included in your trip cost.
