MEMBERSHIP & PROFICIENCY PATCHES

Members should have their patches sewn on their jackets or ski pants where they are visible. Patches are our means of identification of each skier's proficiency and ensures that they are receiving the proper instruction program. Different patches also enable them to access certain hills at Mt. Holly.

RECOMMENDED CLOTHING

Thermal underwear, ski or snowboard socks, ski pants or jeans treated for water repellancy. A sweater and/or parka, a cap/hat, and heavy duty mittens are a must. We also advise a helmet and wrist guards for all skiers and snowboarders.

SAFETY CHECK

A good safety check will include skis, snowboards and boots and poles to ensure that boots are fitted correctly, skis, snowboards and poles are in good condition and that safety bindings are adjusted for proper release. This should be done by a ski shop specialist.

SKI INSTRUCTION

The Mt. Holly Ski School has certified (PSIA) instructors. **All students must take a lesson on each trip.** If students wish to take two lessons they can, just come up to our desk at the lodge to get another lesson ticket. After the second week students will have to go to the desk at the lodge to get their lesson tickets. Special arrangements will be made to teach the first time students. Lesson fees are included.

BEHAVIOR POLICY

- * No smoking, electronic cigarettes, drugs or alcohol
- * Students must not leave the ski area
- * No unruly behavior
- * No vulgar language
